**SERVICE YOU CAN COUNT ON  
PRODUCTS YOU CAN TRUST**

## BENEFITS INCLUDE:

- 1 visit per year during the heating and or cooling season
- Digital maintenance check lists for your records
- 15% Discount on repairs
- 20% Discount on filters
- Priority Service - No overtime charges
- Diagnostic service calls at no charge
- Upfront pricing on all repairs
- Extends equipment life and reduces breakdowns
- Increases efficiency and reduces energy bills
- Maintain safe operation of equipment
- Warranty protection \*

*\*Lack of maintenance can void your extended warranty.*

**The Service 1st Maintenance Plan** will keep your furnace and or a/c or heat pump running at peak performance levels. You will also benefit by having the peace of mind knowing your system is monitored on a regular basis for safety and comfort. Annual maintenance also helps reduce breakdowns.

Every manufacturer recommends annual maintenance. What many homeowners do not realize is that in the fine print, they are required to maintain their equipment annually to keep the warranty valid.

a Service 1st Company
